

## Just Us: 14 Complete Notation and Tab Transcriptions

By Buster B. Jones

Mel Bay Publications, U.S., United States, 2010. Spiral bound. Book Condition: New. 282 x 224 mm. Language: English . Brand New Book. Although his scorching fingerpicking was most impressive at first glance, a closer look at Just Us reveals that he is equally adept at what many musicians consider as a more difficult task: playing fewer notes. ones that mean more, and say more with less, as he does on album opener A Simple Gift, title cut Just Us, and One Sad Clown. Just Us is an album consisting largely of his own compositions inspired by his two main guitars Merle and Pearl. Along the way we are treated to a barn-storming version of Alabama Jubilee (it must be tunes like this that caused Chet Atkins to say of Jones He plays like he's double-parked), Collage-a-Reed and Clawin (each inspired by mentor Jerry Reed), while Let the Sun Shine In sounds like an instant fingerpicking classic that you could swear you have heard before, but haven't. Including detailed notation on 15 of Busters songs from Just Us, this Book/CD lesson will challenge even the best players. Presented in standard notation and tablature.
