This book is not about history, theory or theology. It is about bringing life to your dead dream of becoming a first-class personality in life, although you have a third class degree. Unknown to you, while on campus, the main reason why you really desired to graduate with a first class was not just for your friends to respect you or for your family members to be happy for having a first class graduate in the family. Sad as it may sound, God knew beforehand that you may not fare better than you did, and He is prepared ahead of time to help you. He is not disappointed in you. God looks at things differently than man does. This is because man is easily impressed by the wrong things in life, neglecting the things that matters. Men may write you off, but God won't: It is not in His nature: Adam and eve failed God's exam in the Garden of Eden and could...
