Reviews

It is a of my personal favorite book. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

The War-Time Journal of a Georgia Girl, by Eliza Frances Andrews, is an exceedingly interesting book to those who care for absolutely truthful, unaffected pictures of life during the Civil War. The journal was kept with no idea of being read by anyone but the youthful writer. But that part of it written in 1864 and 1865 was of such vivid reality that it now sees the light of publication. Home life on a plantation amid a large group of relatives, somewhat separated by political sympathies yet bound fast together by the extreme provincialism of the Southerner of that day, discloses social conditions that are of immense interest to us now. The children of this particular family were not in sympathy with the steady Union sentiments of their father, Judge Andrews, so the journal becomes a safety-valve to ease the repression exercised in family conversation. The one thing that never can be understood by the ordinary Northerner is the unshaken conviction of the Southerner that in her section of our land alone were there refinement, culture, and the beautiful graces of hospitality. It is, of course, the part of a victor to receive in silence the heated representations of the conquered, but why the South should imagine that there were not numberless counter parts of their delightful social groups in the North remains incomprehensible to...
