Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Are you really interested in growing your own food? Would you love to have your own vegetable and herb garden, right at your home? If yes, what is it that's stopping you? Is it because you don't have a backyard to have your own garden or is it because you have limited space in your small urban high-rise apartment? Limited space should not restrict you from having your own garden. All you need is a little bit of planning and you can have your own container garden! Container gardening is perfect for those people who just don't have any ground space available. You can grow your own flowers, your own herbs, and your own vegetables. You can use planter boxes, hanging baskets and large flowerpots. Small, hanging and gorgeous looking containers and baskets actually add a unique and natural look to your home decor as well. It is not at all a difficult task to get started with gardening in containers and pots. But you will achieve more success if you keep certain things in mind while planning your own sweet little garden. The purpose of this short guide is to help you get acquainted about how to choose the right containers, how to provide the right food for your plants, and how to select the right plants for your garden. Use the container garden ideas given in this guide and in a few months time you may just be using your own home-grown herbs and vegetables in your meals and your own flowers for decorating your home! So, let's get started!.
