Brand New Book ***** Print on Demand *****.How to Rig the NCAA Basketball Championship for Fun and Profit is a humorous, poignant and alarming novel about a guy who plans to fix the biggest college game of them all to draw attention to the games mounting problems, for revenge and to make a whole lot of money. Stan made the life-altering decision to apply his officiating skills to influence the outcome of games without attracting attention. The successful execution of the plan would make him rich. And hopefully promote some much needed reform of college athletics. How to Rig the NCAA Basketball Championship for Fun and Profit is a no-holds barred...
