

## Paragraph-Writing (Classic Reprint) (Paperback)

By Fred N Scott

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Paragraph-Writing The principle embodied in this work were developed and put in practice by its authors at the University of Michigan several years ago. When the nature of the classroom work and its results became known, there were many inquiries from teachers in preparatory schools and colleges in regard to the methods employed. In response to these inquiries a small pamphlet (now out of print) was published and circulated. The present work, while in a limited sense a revision of that pamphlet, is virtually another book. In the earlier work the aim was to suggest a useful exercise in writing English. This book goes farther. Its aim is to make the paragraph the basis of a method of composition, to present all the important facts of rhetoric in their application to the paragraph. Since the point of view which is assumed is in some respects novel, a few words of explanation will not be out of place. Learning to write well in one's own language means in large part learning to give unity and coherence...

### Reviews

*This book is fantastic. This is certainly for all those who state there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Prof. Dale Fahey MD

*A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).*

-- Santina Sanford
