Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Those who are suffering from Fibromyalgia, Chronic Fatigue or numerous other Chronic Illnesses are facing some major problems that leave them at a serious disadvantage. Most doctors don t know much about these illnesses and thus are not good at diagnosing them correctly and are very rarely equipped to treat them properly. The underlying causes of these illnesses are mostly unknown. The current conventional treatments consist of prescribing one or more of several medications that are really just combinations of pain-killers, nerve and muscle relaxants and antidepressants. These only serve to mask the symptoms. The marketing and promotion of these drugs and other treatments give false and misleading information about what is causing your pain. They are construed to sell you something and make a profit rather than to improve your condition. You can waste tons of your time and hard earned money getting tests that show nothing, seeing doctors that don t help, reading books that don t provide solutions, following protocols that don t cure you and taking drugs or supplements that don t improve your condition. The Solution is to have an advocate who has already been through it to help direct you to the best resources and information that can help you to actually recover - recover your health and recover your life. I spent more than 15 years dedicatedly working on how to deal with my pain and other debilitating symptoms and recover my health. I have traveled thousands of miles to clinics and seen specialists that treat these chronic illnesses. I ve followed numerous treatment protocols. I ve taken every imaginable supplement and many different drugs. I ve read pretty...
