Sounds True. Paperback. Book Condition: New. Paperback. 500 pages. Dimensions: 10.0in. x 7.9in. x 1.0in. Welcome to the first comprehensive encyclopedia of the human energetic anatomy. Here is a reference that no personal or professional health-care library should be without-an in-depth, illustrated guide to the invisible energies of the spirit, psyche, and consciousness that influence every aspect of our well-being. Whether you are looking for the right complementary medicine to enhance your own healing practice, seeking perennial wisdom about your bodys energetic nature from world traditions, or exploring the quantum edge of intention-based care, The Subtle Body is an indispensable companion for exploring virtually any facet of holistic healing. Created for healing professionals and patients alike, this volume provides a lexicon of terms, illustrations, and detailed entries about our energetic biology and how it relates to our physical being. This invaluable information will help you enhance any form of health care and give you the knowledge you need to develop an integrated approach for your clients well-being-or your own. All healers are energetic healers, whether they know it or not. Because every health issue has a physical and an energetic component, even a simple physical treatment like bandaging a cut also impacts the bodys spiritual, mental, and emotional welfare. The Subtle Body is a comprehensive encyclopedia devoted to the critical world of our invisible anatomy, where so much of healing actually occurs. Compiled by intuitive healer and scholar Cyndi Dale, this 500-page full color illustrated reference book covers: What is the subtle body New scientific understanding of our quantum-state existence and the unseen fields that determine our physical condition True integrative care: how combining Eastern energetic modalities with Western scientific rigor yields optimum results The meridians, fields, and chakras: detailed information and diagrams about the role of these energetic structures in...
