Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Peter Hubral explains in detail the modern Tai Chi-teaching of Dao-grandmaster Fangfu which goes back to the Yellow Emperor and Lao Tzu. He demonstrates its excellent match with the written Greek Pythagorean/Platonic philosophia. He shows, how both teachings contribute to deepen the understanding of modern cognitive and health sciences as well as physical and psychic therapies. He provides with this inedited treatise on ancient Chinese wisdom a solid foundation for The Socrates Code, in which he completely revises the careless and ahistorical misreading of ancient Greek texts. He uses The Lao Tzu Code also to justify The Plato Code, in which he documents the strong impact that this misreading ironically had on the modern western culture. The front cover of The Lao Tzu Code shows Lao Tzu performing a Qi-transmission in a similar way as Fangfu. Also the Greek masters of the philosophia used it, because without it there would neither exist modern Tai Chi-teaching nor ancient Greek philosophia.
