Createspace, United States, 2009. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. Best skills assessment and resume writing source for working adults, as well as for teaching high school students. Condensed from the author's three-hour resume writing group workshop, this focused study course on resume writing will rapidly guide you into assessing your skills and abilities, gathering your information, and writing the best resume you've ever had, whether you are a student in a classroom or an individual in a life-changing job search. Nothing short of a bargain -- the author charges \$18.95 just to review and critique a resume. Appalled at the lack of quality resumes in senior exit portfolios, Jones developed her workshop into book form to market as a great addition to a high school or college careers class, English class, or senior portfolio class. A Teacher's Edition, complete with unit lesson plans, is available to accompany this book. An excellent resource for FFA Career Development Event Job Interview competitors, Job Corp programs, tech schools and skills centers.
