

Thoughts That Count (Paperback)

By Byron Wesley Lehman

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Life is filled with fascinating questions that can (usually) only be answered through the wisdom of experience. Is it better to get what you want now, or later? Do you really have to do that thing that's so hard to do? And why is it important to keep every promise you make? Questions like these are addressed in *Thoughts That Count*, a collection of thirty stories illustrating powerful life lessons in a simple and memorable way. Geared toward families with children and readers of all ages, each unique morality tale points to one important aspect of character development that can be summed up in a short catchphrase-and referred back to whenever a teachable moment occurs. So put on your everyday superhero cape and join author Byron Wesley Lehman on an inspiring journey where readers will learn about some of life's biggest challenges, from doing the right thing (especially when it's hard), to pulling your own share of the load, to giving thanks each and every day. While inspiring valuable discussions about morality and values, Lehman...

Reviews

I just started out reading this ebook. It is really exciting through reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Leonie Collins**

These sorts of book is the greatest book offered. This can be for all those who state that there had not been a really worth reading. I am just quickly could get a pleasure of reading a written ebook.
