Phaidon. 1 Paperback(s), 2002. soft. Book Condition: New. Despite the brevity of her career as a photographer working actively in the medium only from 1924 to 1930, Tina Modotti achieved a standard that other artists took a lifetime to reach, and is now considered one of the 20th century's preeminent photographers. Modotti was also a model, film actress, and revolutionary political activist, and worked with artists and photographers from Diego Rivera to Edward Weston. The 55 photos in this compact monograph include portraits of revolutionaries Julio Antonio Mella and Vittorio Vidali; artists and friends like Weston, Dolores Del Rio, Lola Cueto, and Lone Robinson; and workers and other proletariat figures, as well as symbolic and architectural images and other visually dramatic compositions. 128.
