

Camelot's Shadow (Paperback)

By Sarah Zettel

HarperCollins Publishers, United Kingdom, 2005. Paperback. Book Condition: New. 176 x 112 mm. Language: English . Brand New Book. A stunning tale of romance and magic set against the legendary backdrop of King Arthur's court. At nineteen the beautiful Lady Rhian is clearly of marriageable age. But her father seems reluctant to give his blessing to any of her suitors. When she discovers the true reason for this - that in return for her mother's life he promised her to a sorcerer - she runs away to join a convent. The sorcerer, Euberacon, is determined to exact his payment and waylays Rhian on the road, but she is rescued by the valiant Sir Gawain, a knight of King Arthur's Round Table, who gallantly offers to escort Rhian to Camelot. Gawain has grave tidings to bring to Arthur - the Saxons are growing restless, and the threat of war looms. He has taken a great risk in stopping to help Rhian. But when a band of Saxons attacks them, Rhian proves that her skills include more than tapestry and gossip - and Gawain will be captivated as much by her bravery as by her beauty.
