Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Mean Streak, Sandra Brown, Dr. Emory Charbonneau, a paediatrician and marathon runner, disappears on a mountain road in North Carolina. By the time her husband Jeff, miffed over a recent argument, reports her missing, the trail has grown cold. Literally. Fog and ice encapsulate the mountainous wilderness and paralyze the search for her. While police suspect Jeff of 'instant divorce', Emory, suffering from an unexplained head injury, regains consciousness and finds herself the captive of a man whose violent past is so dark that he won't even tell her his name. She's determined to escape him, and willing to take any risks necessary to survive. As her husband's deception is revealed, and the FBI closes in on her captor, Emory begins to wonder if the man with no name is, in fact, her rescuer from those who wish her dead - and from heartbreak. Combining the nail-biting suspense and potent storytelling that has made Sandra Brown one of the world's best loved authors, MEAN STREAK is a wildly compelling novel about love, deceit, and the choices we must make in order to survive.
