## Oxford Handbook of ENT and Head and Neck Surgery

By Clinical Tutor and Ent Consultant Royal Berkshire Hospital  
Reading Consultant Ent Surgeon Rogan Corb, Former Clinical  
Lecturer Oxford University and Former Honorary Senior  
Registrar Nicholas Steventon

Oxford University Press, United Kingdom, 2010. Part-work (fasciculo). Book Condition: New. 2nd Revised edition. 182 x 104 mm. Language: English . Brand New Book. This second edition of a best-selling Oxford Medical Handbook provides a comprehensive guide to the practice of ENT and head and neck surgery in a concise, practical, and easily accessible format. For use on the ward or for revision purposes, this new edition is organised anatomically and each section provides a summary of the essential approach to a specific presenting complaint. Quick access chapters are included detailing emergency conditions and their acute management. This new edition includes expanded sections on anatomy, paediatrics, drugs, practical and surgical procedures, and emergencies. There are new chapters covering ENT manifestations in HIV/AIDS and sleep disorders. Still the only pocket-sized reference of ENT available, this handbook is unique in offering diagnostic flowcharts which guide readers based on specific sets of symptoms. Patient-centred and practical, this book represents a more accurate experience for those typically faced with ENT and head and neck surgery in clinical practice.

### Reviews

*I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.*

-- **Clint Labadie**

*This book is great. it was writtern quite flawlessly and helpful. You will not truly feel monotony at whenever you want of your time (that's what catalogs are for concerning if you ask me).*

-- **Sterling Kris**
