## Unburdening A Burden (Paperback)

By Raghav Dwivedi

Lulu.com, United Kingdom, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Unburdening a Burden is a bouquet of 121 devotional sonnets written in simple yet graceful language which hitherto remains unparalleled in the history of English literature for its exquisite beauty, quaint whimsicality and richness of illustration. The style in which the book is written is a model of lucidity and order and the language employed exhibits a chiselled excellence and a well-trimmed form. The emotions expressed in the book are garbed in rich and graceful drapery of apposite language. There is natural grace, classical elegance and pleasing beauty of description. Every word expresses with directness and vividness what is there in the writer's mind. The work has rational cadence, a super-abundant wealth of words and superfluous ornaments. There is irresistible charm of congruity and magnificent evocation transfused with sublimity. Its expository and ratiocinative approach is inimitable. Clarity of thought and felicity of expression adds a deeper crimson to the blooming rose of the work.
