Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A great assist in learning Geometry is a Formula study guide. Any student will find a study guide useful. Study guides should be clear and concise, grouping different functions in one area. For example A Geometric Formula study guide would have groups based on lines, angles or polygons. Each item of the group should have a basic definition and the formulas related to the specific subsections, such as a right angle. Study guides are a great way to quickly access important information.
