Paperback. Book Condition: New. Paperback. 137 pages. Sustainable Living - Practical Eco-Friendly Tips for Green Living and Self-Sufficiency in the 21st Century This Special Edition Compilation includes topics such as: - A green surrounding for your baby including what heshe sleeps on and the toys played with- DIY solar panels for sustainable living as electricity costs continues to rise- How to make non-chemical green cleaning solutions for your home- What you should know about hybrid electric vehicles to save you gasoline money- How to build an organic garden (inside your apartment in a container or outside in your backyard)- Recycling your electronic goods and getting paid for it- Sustainable feminine hygiene alternatives- Organic cosmetics- Magnetic electricity- And a couple more topics! There is more interest in self-sufficiency during this 21st century than ever before. That blatantly tells you that people are feeling the effects of the environment around them. Were not talking about good effects either. Were talking about chemicals in the food we eat, pollution of land, water and the air we breathe. This also includes finite natural resources thats becoming scarce thus driving the cost up as demand for it continues, etc. In general, health issues have been on the rise due to a combination of all these things which drives the desire to make certain changes in ones lifestyle. This is why Sustainable Living - Practical Eco-Friendly Tips for Green Living and Self-Sufficiency in the 21st Century - Special Edition Collection had to be written. Sustainable living or some like to call it green living allows for a natural and as much as possible eco-friendly lifestyle. But this involves being educated on what it all means and finding out as much as possible about how to actually do it and make it a way of life. This Special Edition...
