## WRITING LATIN, VOL. 1 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Writing Latin, Vol. 1 The first twenty-six lessons of this revision are identical in scope with the original edition of Writing Latin Book One. Book Two may be taken up after completing these lessons, or the whole of Book One may be finished first, according to the needs of the class. Exercises twenty-seven to forty, inclusive, contain a simple treatment of the principal verb constructions. Exercise forty-one consists of sixty sentences for review. By the addition of these exercises, by the improved vocabulary, and by the greater attention given to important idioms and phrases, the book has been adapted to the use of classes that are to take a college examination in Elementary Composition before reading Cicero. All the exercises are new, and are based on Professor Lodge's Vocabulary of High School Latin. The Hints have been revised, and references added to the Hale and Buck Latin Grammar. The general plan of the work is unchanged. Each exercise is now divided into two parts. The first ten sentences include all the principles of grammar belonging to the lesson. This arrangement makes it possible for a class to cover the subject rapidly, using only the first part of the exercises, and reserving the second part for review, or omitting the later sentences altogether, if desirable.
