## Geometry Challengers for High Achievers (Paperback)

By Cesar G. Quequep

Trafford Publishing, Canada, 2006. Paperback. Book Condition: New. 274 x 208 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The philosophy behind the writing of this resource book can be summarized in just a single word - challenge! In every class in school, there are at least three identifiable groups of learners. There are those who fall behind, for reasons well known to themselves; there are those who stay in the mainstream level of thought, not because of their own liking but perhaps due to their inherent resources; and then there are those who lead and want to lead - the leaders of intellectual thought, action and discovery. Not many fall within this group of leaders. It is safe to estimate that almost a fourth of the class, any class for that matter, can be classified into this group of leaders and most probably deep thinkers. This is the group that follows closely and interestedly the teaching that goes on in class, patient about taking notes from the teacher, and admirably serious about quizzes and exams. These students are not wizards or geniuses, just plain common-sensed and diligent young men and women obsessed with the desire to...
