Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Elliot is terrified of almost everything. From the moment he was born, his life has been governed by acute fear. The only thing that keeps his terrors in check are the pills that he takes every day. It s Christmas Eve, there s a snowstorm and Elliot s medication is almost gone. His mum nips out to collect his prescription. She ll only be 10 minutes - but when she doesn t come back, Elliot must face his fears and try to find her. She should only be 400 metres away.
