THE INFORMATION SOCIETY: EVOLVING LANDSCAPES

Book Condition: New. Publisher/Verlag: Springer, Berlin | UR Reader consists of a set of essays written by international authors many 0 of whom are acknowledged experts in one or more aspects of information technology (IT) and its implications for society. The contents have been influenced by the fact that the relationship between IT and society has to be considered in an holistic context. Our purpose has been to present this series of essays in the loosely related perspectives of landscapes...
