Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, Ashes to Dust, Yrsa Sigurdardottir, Philip Roughton, The third crime novel from international bestseller Yrsa Sigurdardottir, ASHES TO DUST is tense, taut and terrifying - not to be missed for fans of Nordic Noir. Thora peered at the floor, but couldn't see anything that could have frightened Markus that much, only three mounds of dust. She moved the light of her torch over them. It took her some time to realize what she was seeing-- and then it was all she could do not to let the torch slip from her hand. 'Good God,' she said. She ran the light over the three faces, one after another. Sunken cheeks, empty eye-sockets, gaping mouths; they reminded her of photographs of mummies she'd once seen in National Geographic. 'Who are these people?' 'I don't know,' said Markus .Bodies are discovered in one of the excavated houses at a volcanic tourist attraction dubbed 'The Pompeii of the North'. Markus Magnusson, who was only a teenager when the volcano erupted, falls under suspicion and hires attorney Thora Gudmundsdottir to defend him - but when his childhood sweetheart is murdered his case starts to look more difficult, and the locals seem oddly reluctant to back him up .
