Bachelor Thesis from the year 2007 in the subject English Language and Literature Studies - Comparative Literature, grade: 2, 0, LMU Munich (Department fr Allgemeine und Vergleichende Literaturwissenschaft), language: English, abstract: 1. Introduction: The Impact of the English Colonial Language Policy on the Postcolonial Identity My paper aims at exploring the effects of English colonial language policy on the postcolonial identity and their representations in postcolonial literature. Before applying to the main works, on which I will focus, *The Enigma of Arrival* and *Small Island*, I would like briefly to introduce the reader to the objectives of English colonial language policy. English colonial language education not only responds to the demands of access to European knowledge, but also it is a way of effective governance over the colonized people. Under the mask of the moral imperial duty to enlighten uncultivated subjects, the established discourses of Anglicism and Orientalism aim at fashioning the tastes, opinions and morals of the natives after the British imperial style, making them deny their origins in an attempt to become more English than the Englishmen. The process of reshaping the colonials identity...
