Routledge, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This outstanding book vividly describes the variety and common circumstances affecting men, fathers and families everywhere. Every chapter is captivating to read, moving from vivid case exemplars, to qualitative summaries of fathering patterns, historical trends, demographic influences, quantitative surveys, family studies, and current and future trends. Charting an exciting future course for father research, this is the book to lead the way." -Thomas S. Weisner, UCLA, USA "This book makes a vitally important contribution in making contemporary fatherhood studies truly global and truly inclusive. It presents cutting edge current research in a wide range of diverse societies, and brings the cross-cultural perspective in fathering research to a new level." - From the Foreword, Joseph H. Pleck, University of Illinois at Urbana-Champaign, USA "A top-rated team of internationally recognized scholars have produced eloquently written and comprehensively researched chapters. This truly unique book also uses men's individual stories to expose readers to larger issues of culture and family. It brings the best science to bear on what we know about fathering across the world, and is a must read for anyone seriously interested in fathering." -Natasha J. Cabrera, University of Maryland, College Park, USA "This remarkable new book provides a gold mine of observations on fatherhood and fathering around the world. The editors have assembled an impressive array of leading fathering scholars, providing cutting-edge and original contributions about how fathers contribute to family, neighbourhood and community life worldwide." -Margaret O'Brien, University of East Anglia, UK This unique book makes a significant contribution to our understanding of the role that fathers play throughout the world. . [It] provides readers with research originally published in languages other than English, thereby making previously inaccessible research available to a vast...
