Lulu.com, United Kingdom, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. You'll love this charming little book which is packed full of hidden gems and contains a seriously important message. It's been described as being like Alice in Wonderland with Zen sutras and is both thought provoking and entertaining at the same time. Don't be misled by the fact that the characters are clowns, monkeys and bears etc., this is simply to make it more fun to read - but the underlying message which is present even in the idiotic parts is certainly no joke. Throughout much of the story there are several quotations from A Course in Miracles . If this story does nothing more than encourage you to read the above, then its purpose will have been achieved. But you may also want to look further into the Conscious Connected Breathing (Rebirthing) technique which Bonjo the Clown is taught herein - you'd be wise to do so. This can be mastered quickly and easily with life changing results not in 5 or 10 years, but NOW!.
