Reviews

The ideal pdf i at any time read. I am quite late in start reading this one, but better then never. You will like the way the author create this book.

(Eliane Bednar)

I'LL TELL THEE THOU DOST EVIL'

Grin Verlag Nov 2007, 2007. Taschenbuch. Book Condition: Neu. 233x150x25 mm. This item is printed on demand - Print on Demand Titel. - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Linguistics, grade: 1,7, University of Cologne (Englisches Seminar), course: English Grammar synchronic and diachronic aspects, 18 entries in the bibliography, language: English, abstract: In Middle English and Early Modern English one could choose either You or Thou (and their respective variants see Simpson et al. 2005: entry Thou, pers., pron., 2nd sing.). Either choice carried a number of implications, depending on the period of time in the language (Barber 1976:204-210). This system, which exists in many (but predominately European) countries is generally referred to as the T/V distinction. Although similar to the German T/V distinction (Blake 1983:6), there is a phenomenon in Early Modern English, particularly in Shakespeare's plays, which sets the You/Thou distinction apart. Whereas in German, French or Italian, it would be very rare and even rude to switch back and forth from T to V or the other way around, this must have happened quite frequently in Early Modern English dialogues (Brown and Gilman 1960:274-275). Eventually, of course, the use of Thou declined leaving the English language with only one second person pronoun, serving all cases without alteration (except possessive Yours and determiner Your) and both singular and plural (Görlach 1991:85). A speaker of Early Modern English consequently had not only the option of choosing T or V once, he or she could also switch within a conversation, sometimes within a single utterance. The choice then would carry certain implications, about the emotions of the speaker, about his fondness or dislike of the addressee, or about the social ranks of both addresser and addressee. As a result, choosing the pronoun...
