Common infections like cough and colds can be cured by using synthetic drugs that people can buy in the nearest drug store. But, these minor health issues can be treated by using some incredibly powerful ingredients and items that you can find in the comfort of your home. These are what we called home remedies. If there are antibiotics and antiviral medicines that you can find in the local drug stores, you can find also remedies that are called natural antibiotics and antivirals at home. There are different herbal antibiotics and antivirals that you can find around you and you can actually find some of them inside of the spice cabinet in your kitchen. To take advantage of their antibacterial and antiviral properties, you just need to learn and understand the proper way to use them and with that, they can start helping you in getting rid of different illnesses, from colds to shingles. You can also find natural remedies that you can take if you have stomach ulcers or cold sores. Everything depends on what your problem is and on what you require. From teas to tinctures, you are sure to find that there are several ways to help you ensure that you will get well in a natural and healthy way. All you have to do is to ensure that you have everything at hand and this book will take care of the rest. This book is going to teach you the reasons why more and more people turn to natural antibiotics and antivirals. You will also learn the steps to using mixed oils to cure infections and rashes. This book will serve...
