

Parenting For Dummies

By Helen Brown

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Parenting For Dummies, Helen Brown, Having a baby is an incredible experience, and the ultimate responsibility! Parenting is a job that you start with no training at all - and friends and family always seem to be the first to tell you how best to bring up your children. But there's no sure-fire formula for raising kids. Maybe that's because every child, like every parent, is an individual, and no two parent-child relationships are ever the same. So, you can give up any notions of being a perfect parent. But, you can learn to keep the big mistakes to a minimum and make the parenting experience easier and more rewarding for your children and yourself. Which is where this book comes in. Covering information for newborns to pre-teens, Parenting For Dummies gives you the essentials of parenting basics. From dealing with a crying baby and potty training, to building self-esteem and dealing with sibling rivalry, it offers a gold mine of up-to-date advice.
