Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

PANDOLFINI'S ULTIMATE GUIDE TO CHESS

DOWNLOAD

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Pandolfini's Ultimate Guide to Chess, Bruce Pandolfini, Most chess books cover some aspects of the game, be it the opening, the middle game, the end game, or strategy. A few have tried to offer comprehensive approaches to the entire game, but today, these efforts are mostly obsolete and hastily compiled. Bruce Pandolfini has provided a new, unified approach to the game, one good for beginners and experts alike. Pandolfini provides: a short introductory history of the game, the moves, rules, and notation, the basic principles of the game, pattern recognition and memory aids, traps and pitfalls to be avoided, a method for playing in any situation, defence and counterattack, famous positions and players, a resource guide to the best websites for playing chess online and loads more.
