*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Candlewick on Brilliance Audio, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Willow knows shes different from other girls, and not just because she loves tinkering with cars. Willow has a gift. She can look into the future and know peoples dreams and hopes, their sorrows and regrets, just by touching them. She has no idea where this power comes from. But the assassin, Alex, does. Gorgeous, mysterious Alex knows more about Willow than Willow herself does. He knows that her powers link to dark and dangerous forces and that hes one of the few humans left who can fight them. When Alex finds himself falling in love with his sworn enemy, he discovers that nothing is as it seems, least of all good and evil. In the first audiobook in an action-packed romantic trilogy, L. A. Weatherly sends listeners on a thrill ride of a road tripan and depicts the human race at the brink of a future as catastrophic as it is deceptively beautiful.
