Cliff s Autographs Collect autographs from all over the world! Cliff Anderson is a world-renowned autograph collector and blogger. He has written this 60-page guide book to teach you how he s able to get hundreds of autographs from all over the world for free, or just for the price of postage each year. Using his methods to get just 1-2 autographs would make this book pay for itself with the values of the autographs, but the amount of autographs that you can get using the methods contained inside of this book is virtually endless! Some topics covered in this book: Supplies Requesting autographs through the mail Requesting autographs online Finding contact info for famous people Protecting autographs Perfect gift for fans of professional athletes and other famous people! It s so hard to find information about autograph collecting so I was very interested to see this book. It s full of interesting tips and ideas about this hobby. It is easy to use and good for people of all ages to get to grips with how to create a good collection for themselves. - Christine (Award winning librarian in the UK).
