CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Ever watch Top Chef, Iron Chef or any number of competition shows? When these Chefs run around a kitchen creating these incredible meals from next to nothing and wonder what does this guy cook at home? Does his family eat that good? It's been said that the crappiest running car in town belongs to the mechanics wife. Granted, Chef John's family does eat their share of delivered pizzas and Chinese takeout. He does try to cook a great meal at home at least once a week, more often depending on work schedules. Having never made Duck confit or Foie Gras for his family (they probably wouldn't eat it anyway), but they do eat pretty well. This is how the Chef cooks at home. This item ships from La Vergne, TN. Paperback.
