## Primary Science (Paperback)

By Dr Wynne Harlen

Heinemann USA, United States, 2001. Paperback. Book Condition: New. 2nd edition. 226 x 150 mm. Language: English . Brand New Book. When Primary Science was first published, it provided such valuable insight into the teacher s role in the science classroom that it quickly became the standard against which all other methods texts were measured. Now, sixteen years later, Wynne Harlen has revised her classic text, updating it with the most recent and pertinent research, while preserving the parts that have endured and need no change. Primary Science is written for preservice and inservice classroom teachers in primary, elementary, and middle schools. It is particularly aimed at generalist teachers, who may not see themselves as science teachers, yet have to teach science. But is also for science specialists and curriculum directors or leaders who are attempting to ensure that students science activities offer genuine learning experiences. To that end, the book provides direct and detailed advice on what kinds of questions teachers should ask, how teachers can respond to children s difficult questions, how to develop and assess children s process skills, and how to support children s understandings through inquiry. No other text is quite so accessible. The ideas...
