BRILLIANCE AUDIO, United Kingdom, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A near-impossible cross-country race against time one that begins as a mission for revenge, but proves to be one of redemption. Based on the most successful racing video game franchise ever with over 140 million copies sold, Need for Speed captures the freedom and excitement of the game in a real-world setting, while bringing to life the passion for the road that has made America's love of cars so timeless. This audiobook inspired by the Dreamworks film starring Aaron Paul as Tobey Marshall centers around a blue-collar mechanic who races muscle cars on the side in an unsanctioned street-racing circuit. Struggling to keep his family-owned garage afloat, he reluctantly partners with the wealthy and arrogant ex-NASCAR driver Dino Brewster (Dominic Cooper). But just as a major sale to car broker Julia Madden (Imogen Poots) looks like it will save Tobey's shop, a disastrous race allows Dino to frame Tobey for a crime he didn't commit, sending Tobey to prison while Dino expands his business out West. Two years later, Tobey is released and set on revenge but he knows his only chance to take down his rival Dino is to defeat him in the high-stakes race known as De Leon the Super Bowl of underground racing. However to get there in time, Tobey will have to run a high-octane, action-packed gauntlet that includes dodging pursuing cops coast-to-coast as well as contending with a dangerous bounty Dino has put out on his car. With the help of his loyal crew and the surprisingly resourceful Julia, Tobey defies odds at every turn and proves that even in the flashy world of exotic supercars, the underdog can still finish first.
