Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Making Money: Discworld Novel 36, Terry Pratchett, 'Whoever said you can't fool an honest man wasn't one'. The banks are facing a crisis, and this time it's too serious even for the old boys' club to sort it out - this time, they've sunk to government intervention. But opening the vaults to public scrutiny brings a whole host of problems for those at the top: people want to know where the money's gone, they want loans, reasonable interest rates and much much worse - accountability. The fortress of high finance is crumbling, and it may be time for a change of management - before it's too late.
