John Wiley Sons Inc, United States, 1997. Paperback. Book Condition: New. 224 x 142 mm. Language: English . Brand New Book. This study reports information on college students learning in general education. It represents a first attempt to record on a national scale the achievement in general education for our college level population. The exam is described fully, as is the population of students and the institutions they represent. Following the presentation of the study's findings is a discussion of their significance.
