By Thomas Hobbes

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Behemoth or the Long Parliament My Lord, I present your Lordship with four short dialogues concerning the memorable civil war in his Majesty s dominions from 1640 to 1660. The first contains the seed of it, certain opinions in divinity and politics. The second hath the growth of it in declarations, remonstrances, and other writings between the King and Parliament published. The two last are a very short epitome of the war itself, drawn out of Mr. Heaths chronicle. There can be nothing more instructive towards loyalty and justice than will be the memory, while it lasts, of that war. Your Lordship may do with it what you please. I petition not to have it published. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
