By understanding the structure of your inner mind, you will discover extraordinary latent abilities awaiting to be developed. You can use the principles of Huna to improve your health, better your finances, increase wealth, acquire material possessions you desire, achieve personal and professional objectives, enrich your relationship with others, and enhance the overall quality of life. Perhaps you have used visualization before, but do not know why sometimes it does not work. Know the forces and meet the entities of your mind that control the art of mental creation. Develop and use the skills necessary to effectively and efficiently achieve your desires. Huna means secret in the Hawaiian language. It refers to the coded knowledge of the ancient Kahunas, who were known for healing the sick, controlling the weather, walking over hot lava, and predicting and changing the future. Huna techniques are combined with Thought Field Therapy (TFT) and Emotional Freedom Technique (EFT). TFT-EFT methods are based on energy therapies similar to acupuncture. They have been shown to effectively remove deep psychological fixations, complexes, fears, anxiety, phobias, and negative emotions, without the need of expensive talk therapies. Written in a simple style, the book includes many practical exercises and illustrations designed to gradually develop and apply the principles. Each exercise includes a step-by-step procedure. You do not have to be skillful at psychic work. Any one who takes the time to apply Huna can soon achieve important results to improve his/her life.
