XLIBRIS. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.9in. x 6.0in. x 0.8in. The idea to travel the world on a motorcycle did not come out of the blue. Monicas husband Simon had this dream for 30 years. The opportunity to go arose after their three children had left school and home. Monica had a motorcycle licence but no mechanical skills and very little riding experience. She didnt even have a motorcycle. At the end of a focussed year of preparation sandwiched between two busy jobs as a social worker she was more or less ready to go. The original plan was to ride from Tokyo, Japan to St. Petersburg, Russia via Mongolia and the Central Asian Republics. The twists and turns of fate saw them return home through Africa, which had never been part of the plan. From the fabled Silk Road route to Timbuktu there was plenty of adventure and challenges. After 50,000kms and through 30 countries Monica managed to miss out on learning how to change a tyre as she didnt even manage to get a flat. The trip was one of extreme travel and adventure and a wonderful way of spending a year. Monica and Simon managed to return home still married and keen to do more. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
